Dear Saira,

On behalf of House of Ruth, we extend our heartfelt gratitude for your generous donation. Your contribution of container of leggings and bra's is truly appreciated and will directly benefit the individuals we serve at our agency.

Your donation plays a vital role in providing essential items to those in need, helping to fulfill basic needs for our clients. Without the support of individuals like you, our mission to assist those affected by domestic violence would be much more challenging.

We understand that seeking assistance from our emergency program, transitional shelter, or outreach office can be a difficult and emotional experience for our clients. Your generosity helps to alleviate some of the burdens they face during these challenging times, making their journey towards safety and healing a little easier.

Your commitment to supporting survivors of domestic violence and our organization is deeply valued. Together, we can make a meaningful difference in the lives of those impacted by domestic violence, working towards a future of peace and safety.

Once again, thank you for your kindness and generosity.

Sincerely,

Sabrina Almaraz  
Community Services Director
